LB 109  
LR 83-84

SENATOR SCHROCK: Mr. Speaker, members of the Legislature, after the dust settled the score was 96-96, that's incredible after so many students participated that the score would be tied. Congratulations to Raymond Central for their fifth consecutive state title. I'm sure they don't appreciate sharing it with Holdrege, but I can tell you the community of Holdrege is excited about what took place. So it will be interesting to see what happens next year, and maybe I can work out some kind of a...well, we don't use that word on the floor, a wager with Senator Hudkins on what may happen next year. Maybe the loser buys lunch some day. But congratulations to Raymond Central, and I can tell you the Holdrege community is excited about their state speech championship. And in an age when it seems like we are always congratulating athletic champions, it's fun to recognize an academic champion.
